Ratings do not constitute a recommendation to buy or sell, but only one of the factors to be weighted by investors. ARC Ratings' ratings are assigned based on information, including confidential information, collected from a wide group of sources, and in particular from the entity whose financial commitments are subject to rating. ARC Ratings uses and treats this information with due care and attention. Although all due care was taken in the collection, cross-checking and processing of the information for the purposes of the rating analysis, ARC Ratings cannot be held liable for its truthfulness. ARC Ratings must make sure that the information has a minimum level of quality prior to assigning a rating based on such information.
